### EXPERIENCE

#### Content Creator

March 2024 - present

Skin Dessert

- Managed Facebook (112k followers), TikTok (23k followers), and Instagram (16k followers).
- Created and posted daily content, including photos and videos of products, to drive engagement and brand visibility.
- Planned and scheduled content to optimize reach and enhance audience interaction.
- Engaged with followers, responded to inquiries, and monitored performance metrics to refine and improve social media strategies.

#### Robotic Coding (Intern)

Sep 2023 - Dec 2023

E-Robotic

- Designed and programmed algorithms to manage robot motion using both Arduino and Python, ensuring precise and reliable performance.

### TRAINING

#### Coding & Programming with Python

March 2024 - present

Sponsored by Samsung

- Engaged in a comprehensive Python training program sponsored by Samsung, focusing on developing proficiency and problem-solving skills in the language.

#### Website Development & UX/UI Design

April - July 2024

Sister of code

- Participating in a detailed program focusing on website development and UX/UI design. Gaining hands-on experience with HTML, CSS, JavaScript, Bootstrap, and API integration. Developing proficiency in design tools such as Figma and website builders like Wix.

### ACHIEVEMENTS

#### 1st Place, National Open Data Conference 2024 Hackathon

Able2Work

- Dedicated to creating innovative solutions that empower people with disabilities to thrive in the Information Technology (IT) field, we focuses on developing an orientation program that equips individuals with disabilities in Cambodia with essential IT skills.
